B-VITAMIN SUPPLEMENT

APPLICATION

To be used when additional B vitamins may benefit the dog or cat, such as during periods of coat shedding, dull coat and intense exertion.

Eclipse Biofarmab B vitamin Total includes B vitamins (B1, B2, B6, B7, and B12), combined with inulin (a prebiotic) to ensure high bioavailability. It also contains a fermented yeast culture, which enhances the pet natural production of B vitamins in the intestine.

Used when the pet may require additional B vitamins, e.g. during fur shedding, dull coat, diet change, under intense exertion or when adapting to a new living environment.

Particularly during and well before the shedding period, it is of utmost importance to ensure that it has access to essential B vitamins.

Since all B vitamins are water-soluble, they pose no risk of overdose; any excess is naturally excreted in the urine.

Bio B offers a delicious flavor that appeals both dogs and cats. Formulated entirely without added sugar for a healthier diet.

*The included inulin is an organic dietary fibre derived from the chicory flower. It promotes a healthy intestinal flora, creating favorable conditions for optimal nutrient absorption in the intestine.

- B vitamins (B1, B2, B6, B12, biotin)
- Tasty
- Addition of inulin and yeast promotes natural production

FEEDING DIRECTIONS

1 scoop daily per 10 kg body weight.

Mix well in feed.

1 scoop = 0.5 g

SIZES AVAILABLE

602149 150 g = 300 days supply at 0.5 g/day

SHELF LIFE

24 months.

COMPOSITION

Silicon Dioxide, Cultivated and Fermented Yeast, Calcium Carbonate, Inulin, Aroma.

ADDITIVES	1000 g	0.5 g
Vitamins:		
3a821 Vitamin B1	9 g	4.5 mg
3a880 Vitamin B7	580 mg	0.3 mg
3a825iii Vitamin B2	9 g	4.5 mg
3a835 Vitamin B12	15 mg	38 µg
3a831 Vitamin B6	4.2 g	2.1 mg

ANALYTICAL CONSTITUENTS

Crude Ash 53.3%, Crude Protein 7.7%, Crude Oils and Fats 0.7%, Crude Fibre 16%, Moisture 4.6%.
